Millions of Dead Cops is the first iconic, full-length classic record by **M.D.C.** This was first released in 1981 and quickly became an overnight sensation. Not only did **M.D.C.** deliver a record full of fast intense music , but this record would influence 1000's of hardcore/punk and bands of political nature to this day. The corruption of cops! Greed of corporations! Racism! The fact that not all people were the same, but so what- that's OK! Are all addressed in this groundbreaking LP. Many of these issues were quite taboo at the time and had not been addressed to this degree in punk before. Round it all off with this being fully restored and re mastered with the original mix. You have a definite must-have album!

MARKETING POINTS:

- Contains the original mix that was only pressed in very limited quantities
