BCR140-2 650557014021

BEER CITY SKATEBOARDS AND RECORDS is proud to announce; March 11th 2014 it will put out the North American version of the 56 song remastered 2 CD discography of the seminal early 80's German hardcore band **INFERNO - PIONEERING WORK - 56 SONG DISCOGRAPHY!** The 56 songs include all the bands full lengths; split releases and most comp tracks spanning **INFERNO's** existence!

As with all BEER CITY reissues/discography's this will contain a huge 32 page booklet! This booklet will contain a complete story of the bands existence from start to finish (written by the bands singer Howie and guitarist Archie), photos, flyers and for the first time ever all the lyrics translated to English. (The original European version of this release did not contain lyrics)

"Inferno were the hardest, fastest, most brutal hardcore band of their time and a strong influence ..."
- Scott Ian / Anthrax & SOD

The CD will be exclusively distributed throughout the world by 'Independent Label Distribution' and its partners.

About INFERNO

INFERNO existed from 1981-1992 and were a early 80's / first wave hardcore band. They were known worldwide; toured all over Europe and put out 3 full lengths. They also were on many splits including a split in 1985 with Japan's 'Execute' on the legendary Pushead' label Pasmort. As well as many comp's including the 1984 compilation 'Welcome To 1984' put out by Maximum Rock'N'Roll and the infamous 'Cleanse the Bacteria' which was also put out by Pushead on his label. Thrash/Metal bands such **Anthrax**, **S.O.D**, **Slayer** and **Hirax** name **INFERNO** as one of their biggest influences in several interviews and features.
